

Maternity B. V. M.

Third Grade Stationary List and Summer Assignments

4 Folders	Markers (8 pack only)
Crayons 24 pack only	1 Cloth Pencil Case (big enough to fit all supplies)
1 Bottle of Liquid Glue	2 Boxes of Tissues (full sized)
2 glue sticks	2 Rolls of Paper Towels
1 Pair of Children's Scissors	2 Containers of Clorox Wipes
1 Red Pen	1 Dish Towel (for snack)
Hi-Lighter	3 Sharpened Pencils
12 Inch Ruler (in. & cm.)	

Please put your child's name on everything.

Stationary Fee -- In the beginning of the school year, the children will need \$19.25 for copybooks and a loose-leaf tablet. Copybooks and loose-leaf will be given out on the first day of school so the fee should be paid within the first few days of school. Copybooks and loose-leaf must be purchased through Maternity B. V. M.

SUMMER READING

It is a summer requirement of Maternity B. V. M. School that your child reads the book listed below. The attached worksheet must be completed and returned on the first day of school. It is a required reading for the beginning of our third grade year.

Almost Zero by Nikki Grime

There is also a Math worksheet that should be completed over the summer. This work must be completed and returned to the teacher on the first day of school along with the reading. Your child should be proficient in both adding and subtracting basic facts to larger numbers such as thousands. Please review these math skills over the summer. It is very important that you start going over times tables with your child before entering the third grade. Please make sure your child continues to go on Mathletics over the summer.

Thank you,

The Third Grade Teachers
